

Spend Less Time Paying Bills

Two hours a month. That is the average time people spend paying bills...writing checks, addressing envelopes, finding stamps, mailing. Now pay your bills in *minutes* with our Online Bill Pay service and give yourself more time to do what you want.

» ***Fast.***

You can quickly make payments to anyone and set-up recurring payments too.

» ***Easy.***

Just enter your payees and click to make a payment. It's that easy.

» ***Secure.***

Paying your bills online is more secure than mailing paper checks.
